RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES

Schedule XX - United States

Corrigendum

The following communication, dated 14 July 1997, has been received from the Permanent Mission of the United States.

On April 2, the United States notified WTO Members of its intention to implement the Information Technology Agreement (ITA). In reviewing the documents that accompanied this notification, we discovered that the agreed headnote to Schedule B was unintentionally omitted. Schedule B has been revised to include the headnote.

Copies of this corrigended document containing the above mentioned change are available (inelectronic form-Microsoft Access, or paper) in the Market Access Division (Ms. Wood, Office 3142, tel: 739 50 79).
