RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES

Schedule LXXXII - Hong Kong, China

The following communication, dated 8 October 1997, has been received from the Permanent Mission of Hong Kong, China.

Upon reviewing the schedule of concessions for Information Technology Products, we discovered a typing error in the entry for "Photomicrographic microscopes fitted with equipment specifically designed for the handling and transport of semiconductor wafers or reticles" in Attachment B. This item should read HS 90112000 instead of 90111200.

If no objection is notified to the Secretariat within three months from the date of this document, the rectifications and modifications to Schedule LXXXII - Hong Kong, China will be deemed to be approved and will be formally certified.
