Schedule LIX - Switzerland-Liechtenstein

The following communication, dated 1 December 1997, has been received from the Permanent Mission of Switzerland.

Pursuant to paragraph 3 of the communication on Trade in Pharmaceutical Products (G/MA/W/10) and in accordance with the Decision of 26 March 1980 on Procedures for Modification and Rectification of Schedules of Tariff Concessions (BISD 27S/25), we herewith submit the modifications and rectifications to Schedule LIX - Switzerland-Liechtenstein reflecting the outcome of the first review of the products covered by the zero-for-zero agreement on pharmaceutical products.

The implementation of the changes will result in decreases in tariff rates, except for Attachment Ia which deletes products from Switzerland's existing Annex I to Schedule LIX as agreed by the participants in the course of the first review of the product coverage. The changes are presented in the loose-leaf schedule format and highlighted by underlining.

The documents submitted are the following:

|-----------------|---|
| Attachment I:   | List of designated pharmaceutical active ingredients (INN) to be added to Annex I of Switzerland's Schedule LIX;              |
