ARTICLE XXVIII:5 NEGOTIATIONS

Schedule III - Brazil

The following communication, dated 16 April 1996, has been received from the Permanent Mission of Brazil.

In accordance with Article XXVIII of the General Agreement, Brazil wishes to notify Members that it intends to withdraw its offer of the tariff quota for wheat as indicated in its Schedule III in the form of a note added to tariff line 1001.100000.

The above-mentioned tariff quota was negotiated back in 1970 and has never actually been opened, either before or after it was included in the Brazilian schedule during the Uruguay Round. Brazil will soon be providing Members with the relevant statistics for the last three available years.
