**RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES  
ANNEXED TO THE MARRAKESH PROTOCOL**

**Schedule LXXV - Philippines**

**Addendum**

The following communication, dated 5 December 1994, has been received from the Permanent Mission of the Philippines.

\_\_\_\_\_

I refer to G/RS/10 circulated by the GATT Secretariat on 14 October 1994 which proposed technical corrections on live swine, live poultry, pork and poultry meat relative to Section 1B of the above-mentioned Schedule.

The technical correction on live swine has been accepted by interested trading partners leading to the issuance of a Procès-Verbal dated 30 November 1994. However, requests for clarification/objections were made with respect to the proposed corrections on live poultry, pork and poultry meat within the 30-day time-limit.

In this connection, we wish to address the reservations raised through the submission of revised figures for pork and poultry meat (Annex A)<sup>1</sup> which are based on USDA statistics. With respect to live poultry, the proposed corrections are the same as those reflected in G/RS/10. On this last item, we wish to reiterate that the figures in Section 1B of the above-mentioned Schedule were incorrect due to the inclusion under live poultry of quantities that logically belong to poultry meat, hence the new figures for poultry meat in Annex A.

\_\_\_\_\_

If no objection is notified to the Secretariat within 30 days from the date of this document, the rectifications to Schedule LXXV - Philippines will be deemed to be approved and will be formally issued as a Procès-Verbal.
