

**RECTIFICATIONS AND MODIFICATIONS OF
URUGUAY ROUND SCHEDULES**

Schedule XXXVII - TURKEY

The following communication, dated 7 November 1996, has been received from the Permanent Mission of Turkey.

I would like to inform you that Turkey wishes to make a technical correction concerning a typing error relating to the base rate of duty of one item in the Schedule XXXVII - Turkey.

In this context, the base rate of duty of the tariff item number "HS 8701.90" should be "30%" instead of "25% ". This rectification will not result in a change in the bound rate of duty that is 21.4% .

Since the base rate of this item was registered as 30% in the Schedule XXXVII - Turkey annexed to the Geneva Protocol 1994, I hope this rectification does not create any concern.

I would kindly request you to bring the matter to the attention of other Members in accordance with the agreed procedure for rectification of the Uruguay Round market access schedules.

If no objection is notified to the Secretariat within three months from the date of this document, the rectification to Schedule XXXVII - Turkey will be deemed to be approved and will be formally certified.
