1. (a) Subject to the provisions of this Protocol, each of the acceding governments shall, upon the entry into force of this Protocol with respect to it, apply provisionally:

- (i) Parts I and III of the General Agreement, and
  - (ii) Part II of the General Agreement to the fullest extent not inconsistent with its legislation existing on the date of this Protocol.
- (b) The obligations incorporated in paragraph 1 of Article I of the General Agreement by reference to Article III thereof and those incorporated in paragraph 2 (b) of Article II by reference to Article VI shall be considered as falling within Part II of the General Agreement for the purpose of this paragraph.

2. Upon the entry into force of this Protocol with respect to each acceding government, that government shall become a contracting party as defined in Article XXXII of the General Agreement.
3. Notwithstanding the provisions of paragraph 12, the concessions provided for in the Schedule relating to each present contracting party and contained in Annex A to this Protocol shall not enter into force for that contracting party unless notification of the intention to apply these concessions has first been received by the Secretary-General of the United Nations from that contracting party.
