**Supporting Tables Relating to Commitments on Agricultural Products  
in Part IV of the Schedules**

This document contains supporting material relating to commitments on agricultural products contained in Schedule XV - Pakistan.

---

Anglais seulement

**Tableaux explicatifs concernant les engagements relatifs aux  
produits agricoles repris dans la Partie IV des Listes**

Le présent document contient les données explicatives concernant les engagements relatifs aux produits agricoles inscrits dans la Liste XV - Pakistan.

---

Solamente inglés

**Cuadros justificantes relativos a los compromisos sobre productos  
agropecuarios consignados en la Parte IV de las Listas**

En el presente documento figura la documentación justificante relativa a los compromisos sobre productos agropecuarios consignados en la Lista XV - Pakistán.

MEASURES EXEMPT FROM THE REDUCTION COMMITMENT

Measure Name	Measure type	Description (including reference to criteria where appropriate)	Monetary value of measure	Data Sources	Comments
1	2	3	4	5	6
			(1988-89 provisional)		
1. Agricultural Research	General services on research	Promotion and coordination of research on development of high yielding varieties of important crops (Annex 2, para 2(i))	Rs 261 mil.	Planning Commission	
2. Government Storage	Storage facilities	Provision of wheat storage facilities to ensure food security programmes (Annex 2, para 3)	Rs 86 mil.	Planning Commission	
3. Agricultural marketing	Marketing services	General services including provision of market information to benefit small producers (Annex 2 para 2(iv))	Rs 2 mil.	Planning Commission	
4. Agricultural extension	Extension services	Extension/advisory services are provided in order to transfer the latest crop production technology. (Annex 2, para 2(iv))	Rs 397 mil	Planning Commission	

Continued on next page

Measure Name	Measure type	Description (including reference to criteria where appropriate)	Monetary value of measure	Data Sources	Comments
1	2	3	4	5	6
5. Plant protection	General services	Facilities for pest scouting and spraying are provided to enhance plant protection coverage. (Annex 2 para 2(ii))	Rs 6 mil.	Planning Commission	
6. Irrigation and Drainage & Reclamation	Infrastructural services	Irrigation system rehabilitation programme consists earth work to strength the canal banks, brick lining in the tail to provide water supply to tail users in selected calal system. Drainage and Reclamation programme provides surface drainage to the area where water table is within 0-5 feet of surface which is termed as "disaster areas". (Annex 2 para(vii))	Rs 2655 mil.	Planning Commission	
7. Flood Control	Flood protection services	To protect infrastructure, valuable agriculture land and lives and propoerty of people from devastation of floods (Annex 2 para 2(vii))	Rs 142 mil.	Planning Commission	
8. On-Farm-Water Management	Water supply facilities	The programme involves improvement and lining of courses to improve wate supply situation, demonstration plots and training of farmers. (Annex 2 para 2 (iii)).	Rs 564 mil	Planning Commission

## MEASURES EXEMPT FROM THE REDUCTION COMMITMENT - SPECIAL AND DIFFERENTIAL TREATMENT

Measure Name	Measure type	Description	Monetary value of measure	Data Sources	Comments
1	2	3	4	5	6
1. Tubewell subsidy	Investment subsidy	Subsidy is provided for Development of private tubewells for increasing water supply which is an integral part of national strategy for agricultural and rural development. (Part B, para 18 (a))	Rs. 10 mil.	Ministry of Finance	
2. Fertilizer subsidy	Fertilizer subsidy programme	Resource-poor-producers having less than 5 ha land gets about 74% of total fertilizer subsidy which is meant for increasing their productivity. (Part B, para 18 (c)).	Rs. 1405 mil.	M/o Food and Agriculture  Agriculture Census, 1980	
3. Credit subsidy	Concessionary credit	Resource-poor-producers having less than 5 ha land were given interest free production credit to meet their cost of production. This programme was in vogue from 1979 to 1988 and was replaced by concessionary rate in 1988-89.(Part B, para 18 (c)).	Rs. 670 mil.	M/o Food and Agriculture	Monetary value is estimated.

TOTAL						-11,524.22		

**Note**

\*\*\*\*

0 = Average producer prices at Punjab and Sindh markets.

\* = Data relates to 1990-91 as no comparable border price was available for the period 1986-87 to 1988-89.

Col 5 data = Actual procurement of wheat, rice basmati, rice coarse, onion and potato. Sugarcane: quantity crushed in mills. Actual production of seed-cotton, gram, soybean, sunflower and safflower

Col 6 data: Sugarcane Development Cess is different in each province. The weighted average Development Cess was: 1986-87=Rs. 9.34/MT, 1987-88=Rs. 10.02/MT and 1988-89=Rs. 9.54/MT. 50% is paid by the producers and 50 percent by the sugar mills.

Figures have been rounded wherever appropriate
