This Schedule is authentic only in the English language

# Schedule CXLV - Republic of Georgia

This Schedule is authentic only in the English language

## PART I - MOST-FAVOURABLE-NATION TARIFF

### SECTION I - Agricultural Products

#### SECTION I - A Tariffs

Note 1 --The "final bound rate" of duty, if differing from the "bound rate at date of accession", will be implemented upon accession unless there is a date specified in the "implementation" column. The implementation column indicates the date (referring to the 1 January of the year indicated) when the final bound rate will be achieved. All tariff reductions will be implemented in equal annual rate reductions, except as may otherwise be provided for in the "staging matrix" for information technology products. The staged reduction will be rounded off to the first decimal.

Note 2 -- Georgia shall maintain its applied rates, including other duties and charges: a) for HS 1205 (rape or colza (canola) seeds, whether or not broken) at a level no higher than that for HS 1201 (soya beans, whether or not broken); b) for HS 1514 (rape or colza (canola) oil and its fractions, whether or not refined, but not chemically modified) at a level no higher than that for HS 1507 (soya-bean oil and its fractions, whether or not refined, but not chemically modified); and c) for HS 2306.40 (oil-cake and other solid residues, whether or not ground or in the form of pellets, resulting from the extraction of rape and colza (canola) oil) at a level no higher than that for HS 2304 (oil-cake and other solid residues, whether or not ground or in the form of pellets, resulting from the extraction of soya-bean oil).
