**SCHEDULE LXXIX - THAILAND**

**This schedule is authentic only in the English language**

PART I - MOST-FAVoured-NATION TARIFF  
SECTION I – AGRICULTURAL PRODUCTS  
SECTION I-A - TARIFFS

**HEADNOTES:**

1. For tariff items subject both to an ad valorem rate and to an alternative specific rate, the total amount of customs duty collected on imports classified under these tariff items shall not exceed the amount of customs duty that would be collected if the ad valorem rate alone had been applied to such imports. This commitment applies only to tariff concessions negotiated and agreed to in the context of the Uruguay Round Multilateral Negotiations.

**This schedule is authentic only in the English language**

**PART I - MOST-FAVOURED-NATION TARIFF  
SECTION II – OTHER PRODUCTS**

**HEADNOTES:**

- For tariff items subject both to an ad valorem rate and to an alternative specific rate, the total amount of customs duty collected on imports classified under these tariff items shall not exceed the amount of customs duty that would be collected if the ad valorem rate alone had been applied to such imports. This commitment applies only to tariff concessions negotiated and agreed to in the context of the Uruguay Round Multilateral Negotiations.

-- Computers: automatic data processing machines capable of 1) storing the processing program or programs and at least the data immediately necessary for the execution of the program; 2) being freely programmed in accordance with the requirements of the user; 3) performing arithmetical computations specified by the user; and 4) executing, without human intervention, a processing program which requires them to modify their execution, by logical decision during the processing run. The agreement covers such automatic data processing machines whether or not they are able to receive and process with the assistance of central processing unit telephony signals, television signals, or other analogue or digitally processed audio or video signals. Machines performing a specific function other than data processing, or incorporating or working in conjunction with an automatic data processing machine, and not otherwise specified under Attachment A or B, are not covered by this agreement.

-- - Computers: automatic data processing machines capable of 1) storing the processing program or programs and at least the data immediately necessary for the execution of the program; 2) being freely programmed in accordance with the requirements of the user; 3) performing arithmetical computations specified by the user; and 4) executing, without human intervention, a processing program which requires them to modify their execution, by logical decision during the processing run. The agreement covers such automatic data processing machines whether or not they are able to receive and process with the assistance of central processing unit telephony signals, television signals, or other analogue or digitally processed audio or video signals. Machines performing a specific function other than data processing, or incorporating or working in conjunction with an automatic data processing machine, and not otherwise specified under Attachment A or B, are not covered by this agreement.
