# Schedule CXLVI - Republic of Albania

This Schedule is authentic only in the English language

## PART I - MOST-FAVOURABLE-NATION TARIFF SECTION I - Agricultural Products SECTION I - A Tariffs

Note 1 --The "final bound rate" of duty, if differing from the "bound rate at date of accession", will be implemented upon accession unless there is a date specified in the "implementation" column. The implementation column indicates the date (referring to 1 January of the year indicated) when the final bound rate will be achieved. The interim column indicates the bound rate and the year (referring to 1 January of the year indicated) in parentheses, when this rate will become effective. Tariff reductions will be implemented according to the dates specified in the "interim" or "implementation" columns (no other staged reductions are implied), except as may otherwise be specifically noted in the schedule.

Note 2 -- Albania shall maintain: a) its applied rate, including other duties and charges, for HS 1205 (rape or colza (canola) seeds, whether or not broken) at a level no higher than that for HS 1201 (soya beans, whether or not broken); b) its applied rate, including other duties and charges, for HS 1514 (rape or colza (canola) oil and its fractions, whether or not refined, but not chemically modified) at a level no higher than that for HS 1507 (soya-bean oil and its fractions, whether or not refined, but not chemically modified); and c) its applied rate, including other duties and charges, for HS 2306.40 (oil-cake and other solid residues, whether or not ground or in the form of pellets, resulting from the extraction of rape and colza (canola) oil) at a level no higher than that for HS 2304 (oil-cake and other solid residues, whether or not ground or in the form of pellets, resulting from the extraction of soya-bean oil).
