ADDITIONS TO SCHEDULES ANNEXED TO THE
MARRAKESH PROTOCOL TO THE GATT 1994

Schedule I - Australia

The following communication, dated 26 April 1994, has been received from the Permanent Mission of Australia.

In accordance with the procedures established by the Trade Negotiations Committee for verification and finalization of Uruguay Round Final Schedules of Tariff Commitments, Australia wishes to incorporate some further improvements to its Final Schedule I - Australia which was appended to the Marrakesh Protocol. These improvements arose from negotiations between Australia and the United States of America which were concluded prior to Marrakesh, but not prior to the cut-off date for submission of the treaty version of our Final Schedule.

We understand that these additions to our Final Schedule will need to be circulated by the Secretariat as an addendum to the Marrakesh Protocol. The attached list comprises the additions to our Final Schedule to be so circulated.¹

If no objection is notified to the Secretariat within thirty days from the date of this document, the additions to Schedule I - Australia will be deemed to be approved and will be annexed to the Protocol Supplementary to the Marrakesh Protocol to the General Agreement on Tariffs and Trade 1994.
