RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES  
ANNEXED TO THE MARRAKESH PROTOCOL

Schedule I - Australia

The following communication, dated 9 June 1994, has been received from the Permanent Mission of Australia.

\_\_\_\_\_

I wish to advise that it is necessary to make a technical correction to Australia's Final Schedule of Uruguay Round Commitments and Concessions as attached to the Marrakesh Protocol. As a result of a technical computer programming error in the preparation of the Schedule, incorrect commitments were made for eight tariff lines.

We understand that the Tariff Division intends to circulate to Round participants in the coming weeks a number of corrigenda or corrections to Final Schedules submitted by delegations and we would appreciate it if this notification of intention to correct an error in our Schedule could be duly included therein. The tariff lines which should be corrected are:

8703.21.11, 8703.22.11, 8703.23.11, 8703.24.11, 8703.31.11, 8703.32.11, 8703.33.11, 8703.90.11.

These tariff items should be blank in Column 4. They were not the subject of negotiations with any of Australia's trading partners in the Uruguay Round.

If no objection is notified to the Secretariat within thirty days from the date of this document, the rectifications to Schedule I - Australia will be deemed to be approved and will be formally issued as a Procès-verbal.
