ARTICLE XXVIII:5 NEGOTIATIONS

Schedule V – Canada

The following communication, dated 11 April 2007, is being circulated at the request of the delegation of Canada.

In accordance with the provisions of Article XXVIII, paragraph 5 of GATT 1994, Canada hereby provides notification that it intends to modify its concession on tariff item 3504.00.00 included in Schedule V of Canada.

Canada intends to replace its concession with respect to the milk protein substances part of tariff item 3504.00.00 with a tariff rate quota.

Canada is prepared to enter into negotiations and consultations with appropriate Members under Article XXVIII for the modification of the concession with respect to the above-mentioned product.

Statistics of imports of the product concerned, by country of origin, are enclosed.
