RECTIFICATIONS AND MODIFICATIONS OF
URUGUAY ROUND SCHEDULES

Schedule LXXIX - Thailand

The following communication dated 10 April 1995 has been received from the Permanent Mission of Thailand.

I should like to inform you that Thailand wishes to make a technical correction concerning an inadvertent omission with respect to the application of special safeguard to a product listed in Schedule LXXIX - Thailand.

In this context, the entry of "SSG" in column 6 (special safeguard) under Section I-A of Thailand's Schedule is proposed for coconut (especially tariff item numbers 0801.10.0106 and 0801.10.0207) which is a tariffied product subject to minimum access commitment as reflected in Section I-B: Tariff Quotas. The proposed addition is in conformity with the provisions of the Agreement on Agriculture.

I would be appreciative if you would kindly bring this matter to the attention of other participants in accordance with the agreed procedure for rectification of the Uruguay Round Market Access Schedules.

If no objection is notified to the secretariat within three months from the date of this document, the rectifications to Schedule LXXIX - Thailand will be deemed to be approved and will be formally certified.
