GENEVA (1988) PROTOCOL TO THE GENERAL AGREEMENT ON TARIFFS AND TRADE

Addendum

1. The Geneva (1988) Protocol to the General Agreement on Tariffs and Trade, contained in document L/6363, was opened for acceptance on 10 June 1988.
2. On 30 November 1988, the United States delegation has annexed to the Protocol a consolidated Schedule XX in the nomenclature of the Harmonized Commodity Description and Coding System (Harmonized System). As can be noted, columns 6 and 7 have been left blank and column 5 has only been partially completed. Information necessary to complete these columns will be forwarded once the necessary negotiations have been completed.
3. Two copies of the consolidated Schedule XX - United States¹ in the Harmonized System nomenclature are being sent to each contracting party.
4. Further schedules will be annexed to the Protocol as delegations conclude their Article XXVIII negotiations related to the introduction of the Harmonized System.
5. The printed volumes containing the Geneva (1988) Protocol and the annexed schedules will be distributed in due course after the time-limit for annexation of schedules indicated in paragraph 3(a) of the Protocol has lapsed, at which time a certified copy of these volumes will be transmitted to all contracting parties. In addition, one further copy of the printed volumes will be transmitted free of charge to these countries. Additional copies will be available for sale in the secretariat.
