RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES

Schedule XX - United States

Corrigendum

The following communication, dated 28 May 1997, has been received from the Permanent Mission of the United States.

On April 2, the United States notified WTO Members of its intention to modify its tariff concessions in the distilled spirits sector G/MA/TAR/RS/18. In reviewing the looseleaf schedule that accompanied this notification, we discovered two technical errors. Namely:

- The "header" description for HTS 2208 refers to "90 percent by vol". The correct description is "80 percent by vol".
 - HTS 2208.4040 appears twice. The correct numbering is:
 - HTS 2208.4040 is rum "Valued over \$3 per proof liter"
 - HTS 2208.4060 is rum in containers each holding over 4 liters "Valued not over \$0.69 per proof liter".
-

Copies of this corrigended document containing the above mentioned changes are available (in electronic form-Microsoft Access, or paper) in the Market Access Division (Ms. Wood, Office 3142, tel: 739 50 79).
