ARTICLE XXVIII:5 NEGOTIATIONS

Schedule XX - United States of America

The following communication, dated 30 September 1994, has been received from the United States Permanent Mission.

The United States hereby withdraws its notification pursuant to Article XXVIII:5 of the General Agreement and dated April 22, 1994 (circulated to the CONTRACTING PARTIES as document SECRET/344, dated May 3, 1994) of its intent to modify certain concessions on articles included in Schedule XX of the General Agreement (i.e., wheat, wheat flour, semolina, barley, and malt).

The withdrawal of the April 22, 1994 notification is without prejudice to the right of the United States to modify concessions on articles included in Schedule XX that was reserved pursuant to a prior notification under Article XXVIII:5 of the General Agreement for the three-year period commencing on January 1, 1994 (circulated to the CONTRACTING PARTIES as document TAR/257, dated December 23, 1993).
