

1996 CHANGES IN THE HARMONIZED SYSTEM

Schedule XLII – Israel

Submission of Documentation

Corrigendum

The following communication, dated 26 June 2000, has been received from the Permanent Mission of Israel.

With reference to Israel's notification in the context of the transposition of its Tariff Schedule into HS96 changes as contained in document G/SECRET/HS96/26/Add.1, my authorities noted technical errors with respect to the base rate and bound rate of several items. These are corrected in the attached document¹.
