

**1996 CHANGES IN THE HARMONIZED SYSTEM**

Submission of Documentation

*Schedule XXXIX – Malaysia*

Addendum

The following communication, dated 11 May 2005, is being circulated at the request of the delegation of Malaysia.

\_\_\_\_\_

I have the honour to inform you that Malaysia wishes to introduce corrections and additions to its notification relating to the transposition of Schedule XXXIX-Malaysia into the HS96 (Documents G/SECRET/HS96/31 and G/SECRET/HS96/31/Rev.1). In this connection, the Permanent Mission of Malaysia to the WTO requests the Secretariat to circulate the following modifications:

- i) HS tariff item 320590000 should be deleted, as it does not exist in the 1996 version of Harmonized System.
- ii) HS tariff code 391010190 contained a typographical error. It should be replaced with the code 392010190. (See also Appendix B).
- iii) The modifications resulting from corrections and additions to Part I, Section I-A (agricultural products) are reflected in Appendix A<sup>1</sup>.
- iv) The modifications resulting from corrections and additions to Part I, Section II (other products) are reflected in Appendix B<sup>1</sup>.

Malaysia is of the understanding that these changes adequately reflect the outcome of all its bilateral consultations and that no outstanding reservations remain with regard to the transposition of its Schedule into the HS96. Malaysia, therefore, requests that the Secretariat introduce these modifications and proceed with the certification procedures.

\_\_\_\_\_

If no objection is notified to the Secretariat within 90 days from the date of this document, the modifications to Schedule XXXIX - Malaysia will be deemed to be approved and will be formally certified.
